New water meters will be in metric

Elk Point's water consumption will be measured in cubic meters instead of gallons by mid-1988, following a decision at Monday's meeting of Town Council to go ahead with a water meter conversion program.

Approximately 570 meters are involved in the changeover, with 290 new meters to be installed, and another 280 to be converted to the new measuring system. Total cost of the project is in the \$42,000 range.

The new and revamped meters will also include a feature that will put an end to meter reading problems which currently include crawling under buildings to reach inaccessible meters. A "little black box" will go on the outside of all buildings, permitting the meter reader to determine the water use with a battery powered "gun" which reads the position of gears in the inside meter. The inside meter will still be equipped with numbers, which can be read in the conventional way if problems arise, such as a broken seal on the meter, or a disconnected wire.

The new system is capable of being changed over to a totally computerized operation in the future, says Public Works Superintendent Ron Fraess. The readings made by the gun can be fed into a translator which could hook into the Town's computer system for automatic billing.

Fraess estimates that it will take between 8 and 10 months to complete the changeover, as a sizeable portion of the work may have to be done during the evenings when householders are at home to provide access.

One factor which influenced Council to go ahead with the change is the growing problem of obtaining meters which measure in gallons. With the majority of new meters being manufactured

in metric measurement, it could prove very difficult to obtain the Imperial measurement devices in the future, Council was told.

Other business which came before Council Monday evening included ratification of the appointment of Beverley Bepalko and Lawrence Pidluzny to the Municipal Recreation and Cultural Board. The Board plans to meet in early September, with formulation of a new Recreation Master Plan one of their immediate concerns. The Town's present Recreation Master Plan expires December 31, 1987.

Commissioner cancels visit

Plans for the August 15 to 19 visit to the Elk Point area by High Commissioner Dr. Patricia Rodgers of the Bahamas have been cancelled, with the Bahamian Cabinet called to a meeting during that time.

Dr. Rodgers' phone call explaining the change of plans came only hours after her official letter of acceptance arrived by mail. The High Commissioner expressed sincere regrets on the cancellation, as she had been looking forward to visiting Western Canada.

No show

The early hour and gloomy morning took its toll on the August 5 breakfast meeting of the Elk Point Chamber of Commerce, with only 4 members turning out. As this was less than a quorum, the meeting was cancelled, and business left undone.

Chamber's next meeting will be Wednesday, August 19 at 12:00 noon, at the Empress. Please mark this on your calendars!

MILLION BUSHEL CROP — In the 1986-87 crop year was delivered to Elk Point's Alberta Wheat Pool Elevator. Steve Sribney, who delivered the millionth bushel is presented with a commemorative plaque by elevator manager Brian Fuller.

A million bushel year

An engraved plaque and a framed replica of his cash ticket were presented this week to Steve Sribney of the Elk Point district, who delivered the one millionth bushel of grain to the Elk Point, Alberta, Wheat Pool elevator during the 1986-87 crop year. Sribney delivered the grain on July 15, 1987, over two weeks ahead of the July 31 crop year-

end.

This is the first time that this amount of grain has been handled by the Elk Point Pool during one crop year. Elevator manager Brian Fuller said he would like to thank all of his customers for their patronage through the record-breaking year. The year-end total reached an all time high for Elk Point of 1,096,365 bushels.

Fuller also stated that the new Pool facility "is starting to handle the volume of grain that is was designed for".

This amount of grain translates into \$2.25 million injected into the local economy. To move this volume of grain, 370 rail cars were loaded for export during the crop year. This would represent a solid train 3 3/4 miles long.

Park plans progress

By Laura Mackay
Secretary, North End Park

As of July 27, we have gained 6 new committee members and several donations, as follows:

- Angie & Morris Ringette of the Alico/Hilltop Cafe will supply a room & breakfast for the equipment supervisor; Susan Lett has volunteered to coordinate all painting; Jack Sinclair of Carouells has generously donated all the sand we need for the park; and Shamrock Valley Enterprises has generously donated the landscaping of the park area.

- Ron Croteau will supply rope for our trees and several garbage barrels which we are letting the children paint as they like.

Tony and Jackie Peters will coordinate and contact laborers for the September 5 work bee, also Tony will be organizing supplies and laborers for building the tire equipment.

Barb Croteau will be contacting the mothers for contributions toward the lunch and dinner that will be served

to all the volunteers on September 5.

Alberta Power will be supplying power poles which will be used to section off the sanded areas.

We have decided that the Park will be moved 9 meters further west, at the request of the adjoining lot owners. This space will be titled a municipal green reserve and can have benches and trees. Also, the site plan will be reversed, placing the hill in the far west corner and bringing the toddler ice rink area closer to the street light to allow for winter skating.

We are still in need of donations. We need a 20 space bike rack, wood for signs, a park name sign and donors of funds for equipment in our toddler area and our chain link fence, treated timber for our tire units, and of course volunteers to build them, also benches and picnic tables.

The Agricultural Society will donate 4 spruce trees and the Town has offered to donate 5 maples.

For any donations of time, labour or funding, please contact:
Barb at 724-3021 or Laura at 724-2227.

All help is appreciated and essential in making this park a success.

Thank you to all who have donated and volunteered up to this point. By the end of September we should see a great beginning to our project. We have all shared in its success.

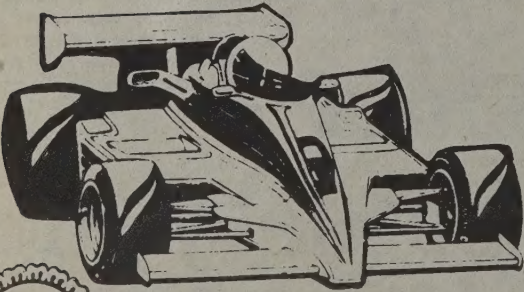

Town Council

(Cont. from prev. page)

Council reviewed Progress Payment Certificate No. 6 on the Highway 41 reconstruction, in the amount of \$700,746.63, and submitted it to Alberta Transportation and Utilities for approval and payment.

Also visiting Council Chambers were Mr. and Mrs. Hughie Peet of Watson Lake, Northwest Territories. Peet, a former resident of the Elk Point area, is a Town Councillor in Watson Lake and was interested in the operation of a council further south.

This win's for Ray--Northmen

By Shirley Osinchuk

Friday, July 31, 1987: weather beautiful, hot and sunny.

The Rusylvia Men's Fastball team and fans boarded Ray Jones' Lakeland Tours bus, heading for Fort McMurray. Last year the fellows won the silver medal in Calgary in the Provincial finals. Ray and Arnie Usenik were here again, to drive us to another chance at the gold medals. Last year they were with us to drive the bus, but more so as friends and faithful fans.

Arnie was at the wheel and everyone was in high spirits.

3:50 p.m., six miles east of Two Hills: Ray! Something is wrong with Ray!

Arnie pulled the bus over. In seconds Ray was stretched out on the grass receiving CPR. Janice Pidruchney, from Myrnam stopped on her way home from duty at Two Hills Hospital to assist. Vehicles were flagged down to ask for an ambulance to be sent. It seemed so long before police, and then the ambulance arrived, but it was less than twenty minutes before Ray was in the ambulance and on the way to the Two Hills Hospital.

We waited in the parking lot and prayed.

Black clouds were in the west, and a strong wind came up. We heard reports of the terrible tornado damage in Edmonton, and a forecast of it moving our way.

5:30 p.m.: Ray is dead!

The question was whether to go on to McMurray. It was soon settled. Ray would want us to go. Let's win the tournament for Ray!

Despite heavy rain and thunder storms, the rest of the trip was uneventful. We arrived about midnight at the MacKenzie Park Inn in Fort McMurray, ready to play ball.

Saturday, 9 a.m.: Eleven zone winners were there to compete for the Provincial "C" Championship. The first game for the Rusylvia Northmen, in light showers, was against the Suncor Blues from Fort McMurray.

ray. The Blues took the lead with three runs in the first inning. They caught up with three runs in the third, then the game held at 3-3 to the end. Two over-time innings were scoreless, then it went to International rules of overtime, beginning the inning with a runner on second base. Both teams scored two runs in the inning.

Inning eleven! A three base hit by a Suncor Blue brought in the runner on second, putting them ahead by one. In the bottom of the inning, Gord bunted, made it to first, and an over-throw to second let Ron Ritz make it home. Edward's fly to third was caught, putting him out, Ron's fly was caught, but Gord made it home on the return throw, giving Rusylvia their first win.

Darrell Nowosad received the Game Star cap.

1:45 p.m. Saturday. By now the showers were gone and the weather was sunny and warm with a light breeze. Rusylvia had first bat against Goodfish Lake. There were no runs until both teams scored one in the fourth inning. Two double plays, in the first and fourth innings kept Goodfish on their toes, and away from home plate.

Overtime again. Dave Harasiuk hit a home run which won the game and won Dave the Game Star cap.

Sunday dawned miserable, raining, dark. Games were rescheduled and rescheduled, finally starting in the late afternoon. Diamonds had to be worked over to try to dry them enough to play.

At 5:10, Rusylvia lost the toss to Terry's Oilfield from Grande Prairie. They couldn't score in the first inning, but Darrell Nowosad starred in the bottom of the first, catching a bunt, then for a double play, picking up a grounder at short-stop, touching the runner, and throwing to second to put out the runner there.

Then it was home run time, for Gord Harasiuk in the second, Rene Brassard in the third, and Ed Yaceyko in the fourth with an RBI, to make the

score 4-0. Goodfish scored two runs in the fifth. Ron McPhee brought in two RBI's in the sixth, Gord Harasiuk brought in two in the seventh and Ed "Brutus" Yaceyko put it over the fence again, bringing in Gord to push the winning score to 10-3.

Ed won the Game Star cap.

Monday, 10 a.m.: Rusylvia had first bat again, against Valleyview. Rusylvia pulled ahead gradually in the first three innings, but were caught off guard by four runs for Valleyview in the fourth, making the score 5-4. There were no runs in the fifth but one for Valleyview in the sixth tied it at five-all. With two men out in the seventh, Ed hit a double, with an RBI, then Gary Harasiuk's fly hit to right field brought in two runs. They held Valleyview to one run in the bottom of the inning, to win 8-6.

Some of the "more talented" fans became quite "famous" for their singing of "We do better with two away, Do Dah, Do Dah", with different lyrics to suit the situation in the game.

Ed Yaceyko won the Game Star cap for the second time.

The loss for Valleyview dropped them to the B side. They had to wait while Lessard beat Suncor, then play and beat Lessard, to make it back to the final game against Rusylvia. Winning every game was certainly the faster way to make it to the top.

Game 5, Monday, August 3, 3 p.m., Valleyview to bat first against the Rusylvia Northmen.

Darrell Nowosad's triple in the first started the scoring. In the second, Ron Harasiuk tripled, Vic Nowosad hit a double with an RBI, Mike Podhaniuk hit a triple with an RBI and Dave Harasiuk hit a single with an RBI to bring the score to 4-0. Valleyview scored three runs in the third and fourth to catch up to 4-3. Then in the bottom of the fifth, Rusylvia added up three more runs to make what was to be the final score, 7-3. Game Star winner for that game was Gord Harasiuk.

Although several players are mentioned by name, this was a team win. It could not have been done without good pitching, catching and defensive play in the field.

The team members are: Ron

Harasiuk, Rene Brassard, Ed Yaceyko, Ron Ritz, Vic Nowosad, Ron McPhee, Mike Nowosad, Gary Harasiuk, Gord Harasiuk, Michael Podhaniuk, Dave Harasiuk, Darrell Nowosad.

All the players played, laughed and cried together that weekend. They won it for Ray, and for themselves and their hard cheering fans.

On Tuesday, August 4, the Rusylvia Northmen formed an honour guard to say a final farewell, at his funeral, to their friend Ray Jones.

THE WESTERN DIVERSIFICATION INITIATIVE

ANNOUNCING A MAJOR NEW FEDERAL ECONOMIC DEVELOPMENT AGENCY FOR WESTERN CANADA

The Government of Canada has announced the Western Diversification Initiative.

This Initiative is being undertaken to coordinate, support and facilitate growth in Western Canada.

The foundation of the Initiative will be the establishment of a new economic development agency located in Western Canada. The agency will be headquartered in Edmonton with offices in Vancouver, Saskatoon and Winnipeg.

WHY WE NEED THE WESTERN DIVERSIFICATION OFFICE

The role of the new office will be to address the challenge of broadening and diversifying the western economy.

Clearly, our dependence on the cyclical and volatile world commodity markets in non renewable resources, agriculture, forestry and fisheries leave us vulnerable.

The new agency will work to build on our natural strengths and develop emerging technologies. We will use them to create new opportunities that will expand and stabilize our economy, create new jobs and inject new capital and investment into our communities.

A 1.2 BILLION DOLLAR WESTERN DIVERSIFICATION FUND TO HELP STRENGTHEN THE WESTERN ECONOMY

The Initiative funded by a substantial new capital endowment will put real teeth into Western development.

Equally important, it means greater access and input into government by Westerners.

The Western Development Initiative is about a new spirit of partnership and equal participation that will build a better future for all of us.

Fair time

It's that time again. up Krispie squares.

Gardens are being combed for perfect carrots, uniform beans, faultless squash. Flower beds get a careful going over in the search for the tallest gladiolus, most exquisite rose, fluffiest carnations.

Families are feasting on still-delicious but perhaps not eye-pleasing baked goods of all kinds. They are taste-testing the muffins, the home-baked bread, the butter tarts, not to mention the jam, the pickles, the chili sauce.

Raspberries, strawberries, rhubarb are picked. Sheaves of grain are bound, oats picked over and jarred, miniature hay bales made. Poems are polished, anecdotes re-typed, limericks tried out for laugh-appeal.

The Fair is coming.

Friday will see carloads, vanloads, truckloads of entries arrive, judges frown over their deliberations, ribbons adorn entry tags.

Saturday will see crowds descend on the hall to enjoy the displays and see who won what. Saturday night will see the beribboned exhibits taken home by exhibitors clutching envelopes of cash winnings.

The Fair Board will creep home, exhausted, knowing they have once again done their job, and crated a successful event, while already their minds dance with plans for next year's fair.

Enjoy the fair, everyone!

Knitted baby sets, crocheted doll clothes, home-sewn jeans get a careful pressing. Collections of snapshots are compared to see which are the most eye-catching: the closeups, the action shots, the scenery.

Ferns are sprinkled, philodendrons dusted, begonias beautified. Seniors add the finishing touches to afghans, aprons, Ukrainian bread. Youngsters label weed collections, complete computer art, stir

Mural watch

By Billie Lynn Milholland

Hi everyone! Many interesting things happened this week. The Mural had visitors from Manitoba, B.C., Ontario, Yukon and the U.S. of A. and even though it is far from complete the comments were encouraging and many people said they would return next year to see what it looks like finished.

Thank you to all the local people who have stopped in with great stories, interesting pictures, and wonderful surprises. Thank you so much for cold pop on a hot day, hot soup when I forgot to stop to eat, coffee, tea and other goodies. Thank you for just stopping in to say hello. Very little exists for me these days except what comes in through the door, here between Dave's Pizza and The Lakeland Review.

We are now on panel 10 and moving right along through the dirty 30's toward the second war.

Next time you visit, don't forget to sign the new mural watchers guest book. Thanks again to everyone, I look forward to your visits.

FOILED AGAIN! — Elk Point Animal Control Officer, Karen Reed, examines a vandalized skunk trap which has been divested of its door by an unknown skunk sympathiser. Mrs. Reed has found numerous traps rendered useless in this fashion recently, and considers this a definite problem, in view of Elk Point's high skunk population and potential rabies danger.

Clandonald Fair is country style fun

By Shirley Osinchuk

The tenth annual Clandonald Fair was held on August 7 & 8, 1987. Rain was forecast, but the clouds broke frequently to let some sunshine through until mid-afternoon, when a downpour sent everyone into the arena, to have another look at the exhibits.

To start off the day, the men of the Board of Trade did a fine job of cooking pancakes, eggs, sausage, bacon, coffee and juice. It was worth a trip to town in itself.

The parade began at the Hall and wound its way through town to the arena grounds. The RCMP escort and four Highland pipers were followed by horseback riders carrying the parade banner and flags, then Don and Lorraine Mazankowski in Tony DiGiano's antique car and the local MLAs, their wives and Agricultural Society dignitaries and guests in horse-drawn wagons. A colourful flurry of decorated bikes and riders, floats from local businesses, Dewberry and Clandonald 4-H clubs, horses, ball clubs followed, all creating a shower of candy and peanuts. Right at the end was the Fire Department, providing a real shower with the hose operated by Ken Lawrence.

In the arena, the exhibits were displayed, having been brought in and judged on Friday afternoon. The Grand Aggregate winner was Marge Osinchuk (earned 469 points) and runner-up, Suzanne DeJong.

Section A — Flowers: Pat Huxley; 9 to 15 yrs. - no entries; 8 and under - Lindsay Rewuski.

Section B — Vegetables: Mildred Molineux; 9 to 15 - Greg Yaceyko; 8 and under - Kyla Graham.

Section C — Home Cooking and Canning: Marge Osinchuk; 9 to 15 - Jennifer Lawrence; 8 and under - no entries.

Section D — Homemaking: Suzanne DeJong; 15 and under - Tammy DeFord.

Section E — Handicrafts: Marge Osinchuk; 9 to 15 - Greg Yaceyko; 8 and under - Kelly Rochford.

Section F — Grain: Susan Kitt; 15 and under - Brent Martin.

Seniors — Grand Aggregate Winner: Josie McIntyre; Runner-up - Hazel Griebel.

Section A — Flowers: Josie McIntyre.

Section B — Vegetables: Josie McIntyre.

Section C — Homecooking: Josie McIntyre.

Section D — Homemaking: Alice McNamara.

Section E — Handicrafts: Jim McDowell.

After the parade, President and M.C., Matt Harasiuk introduced the dignitaries who were present and presented each with a Clandonald Country Fair pin. Constable Ken Rother of the RCMP had lead the parade.

Matt introduced Doug Cherry, MLA of the Lloydminster constituency, MLA Steve West for Vermilion-Viking, Deputy Prime Minister Don Mazankowski, our MP, and their wives. Each spoke briefly. Doug Cherry presented an Alberta flag and a cheque for \$15,000.00, which had been pledged to the Clandonald Agricultural Society by the Alberta Government. Helen Christiansen, Alberta Government liaison for Agricultural Societies and Josie Van Lent, District Agriculturist also spoke briefly.

The \$25.00 membership draw was won by Marlene Lawrence.

Dale Cusack presented the Cumac trophy to Grand Aggregate winner Marge Osinchuk. Senior winner, Josie McIntyre was not available to receive her award. The Senior runner-up trophy was presented to Hazel Griebel.

Scott Stone was chosen the winner in the Parade Decorated Bike

contest.

Marty and Lynelle Etherinton won the award for the best scarecrow in the 16 and under class, and Ev Lawrence was definitely the liveliest scarecrow, arriving on stage to hug the M.C. during his introductions.

The pet show, as always, was a delightful collection of animals, which could not be compared for judging. Tulip the sheep, shown by Lyle Radesh, was awarded the overall winner's ribbon, and all the others placed first. They were: Adam and Angie Carter with Dick and Mojo Cat, Joanne Thomas with 1 week old Cleo Kid and her sister Carolyn with Gramaldi Kitten, Stacey Harasiuk with Lassie Dog and her sister Leith with Coconut Cat, Linsay Rewuski with Lady Dog, Michelle Garnier with Syd Goat, and Donna Radesh with Blackie Rabbit.

In the arena, Willie Osinchuk, Bill Cusack and Caroline Polowy judged the Fiddler's Contest. In the Junior Class, they placed Landon Bowman, first, and his sister, Tanya, second. They were accompanied by their mother, Loretta, on the accordion. Landon received the Eugene Martin and Family trophy, and Tanya received the Sparky's Oilfield Service trophy.

Les Bowman, who was accompanied by Bruce Gould, received the

Clandonald Mechanical trophy for first place in the Open Class.

In the Seniors, Bill Brock was awarded the Frank's Shell trophy by Mildred Molineux, for first place. Paddy Mulgrew placed second, receiving the Clandonald Inn trophy.

During the intermissions, four senior members of the Ukrainian Dancers from Myrnam entertained: Kari Karbaszewski, Jason Straty, Tracy Metrunec, and Jason Golinowski. They had just returned from placing second at the National Festival in Dauphin, Manitoba. Tracy and Kari also danced the duet that tied them for first place at the Festival.

Phil and Blanche Whatly from Washington were at the Fiddler's Contest. Phil spent 1922-41 in Clandonald.

Edna (Quickstad) Page was also there from Sacramento, California. She left Clandonald in 1941.

The Clandonald E.C.S. had a raffle, Lollipop Tree, Fish Pond, and Dunk Tank at the west end of the arena. They appreciate the people who planned, manned the booths, and took wet plunges in the Dunk Tank. E.C.S. members, as well as Stan's Clandonald Hardware, Vinet's, IGA and Eastalta Co-op of Vermilion, and Dewberry and Elk Point Co-ops made contributions.

The raffle winners were: Melissa Cusack, \$75.00 grocery hamper; Shirley McRobert, \$40.00 hamper; Iris Bardool blanket; Rick Burns, tackle box and tackle; and E. Thomas, rocking horse piggy bank.

The horseshoe tournament was rained out but the Tug of War went on when the rain let up a little.

At 9 p.m. the arena came to life again with a dance to round out Clandonald Country Fair day.

BEST DRESSED SHEEP — Tulip, and owner Lyle Radesh accept Pet Parade championship from judge Mildred Molineux.

GRAND AGGREGATE WINNER — Marge Osinchuk accepts the Cumac award from Dale Cusack.

Ukrainian Orthodox Bishop visits Kievs-K-Hi

By Mildred Dunham

Every year during the second half of July, a church camp, Kievs-K-Hi near Moose Lake, is held for children, 6-13 years old, of Ukrainian origin.

It's a two week program for cultural enrichment as well as religion. The children have sports, swimming lessons and recreation. Marshall Kachmar, president of the district

church camp, says it enlightens the children as to their roots; the Ukraine.

This camp takes in children from Bonnyville and district, including St. Paul, Sandy Rapids, Elk Point, Gifford and Glendon. This year 87 children were enrolled in this camp. Some had to be turned away because of lack of facilities.

On July 26 a special outdoor service was held at the camp by the Ukrai-

nian Orthodox Church. About 400 people were there from all parts of Western Canada, mostly the children's parents and other church members. The children welcomed His Grace, Bishop John with flowers. Rev. Hohol, who serves the six churches and Rev. Sawchenko from Two Hills helped Bishop John with his special service.

After the service a lovely dinner, prepared and donated by the church

ladies, was enjoyed by all. Then the children entertained the crowd by singing and dancing. Although it was very hot, there were no complaints from these children; a sign of strict upbringing in both home and church. Since the camp was such a success, the church hopes to get a government grant to help with funding for larger and better facilities so that no young child needs to be turned away in future years.

HIS GRACE BISHOP JOHN — Is welcomed to Camp Kievs-K-Hi by Marshall Kachmar.

Congratulations to Karen Oram and Jim Brake who exchanged marriage vows at St. Columbia Catholic Church at Clandonald on August 1, 1987. Clandonald News

By Shirley Osinchuk

Congratulations to Karen (Oram) and Jim Brake who were married on August 1. We're glad to have you living in Clandonald.

Five Clandonald women have been dubbed the "Clandonald Clan" by Lakeland College. Maighread and GERALYN McCormack, and their cousins Denise and Susanne Martin have earned the internationally recognized title of Certified Professional Secretary. This required many hours of classes and study, and passing of a two day examination. Moira McCormack is preparing to write the exams, also. All five were award winners during their studies, and were hired by Lakeland College after graduating from the Office Administration Course.

Tara and Travis Stachniak are part of the Myrnam and District Ukrainian Dance Association. Their group of eight dancers placed first in the Primary class at the National Ukrainian Dance Festival in Dauphin, Manitoba over the long week-end.

The Senior dancers of the Myrnam association, who also won in Dauphin, entertained at the Clandonald Fair.

Michelle Protsch and Phil Lawrence were competing in the Alberta Summer Games in Strathcona from August 5 to 8. Michelle competed in discus, but did not place. Phil came third in trap shooting at the Junior level.

The Rusylvia Slowpitch Tournament will be played on August 14 to 16.

Cliff Cunningham invites his friends to a Lawn Party at his home in Dewberry, to celebrate his own and the birthdays of many friends and relatives. The party will be on Saturday, August 22 at 7 p.m. and will move from his home to the Senior Citizens' Centre for lunch.

In Memoriam

KRYVENCHUK

In loving memory of a Dear Wife,
Mother and Grandmother, Lena
Kryvenchuk, who passed away
August 17, 1986.

I have lost my soul's companion,
A life linked with my own;
And day by day I miss her more
As I walk through life alone.

What would we give her hand to
clasp,
Her patient face to see;
To hear her voice, to see her smile,
As in the days that used to be.
But some sweet day we'll meet again,
Beyond the toil and strife,
And clasp each others hand once
more,
In Heaven that happy life.

Sadly missed and always
remembered by Husband Sankey,
Sons, Daughters-In-Law and
Grandchildren.

Thank You!

To my children, grandchildren,
two sisters and their families, and
my neighbors for the lovely birth-
day surprise party on August 2, in
honor of my 75th birthday. Thanks
for making it such a happy day.
